 Anywhere, Anytime  
*with RSL Rewards*

## Why is RSL Rewards the Leading Annuity Producer Incentive Program?

Earn personal travel credits that can be used for travel worldwide—anywhere, anytime! RSL Rewards enables you to earn up to \$10,000 per calendar year for travel, in addition to your normal commissions.

- **Go Anywhere, Anytime.** Unlike other annuity producer incentive programs, we do not offer company-sponsored conventions. We believe that since you do the work selling annuities, you should choose where and when you want to travel.
- **No Limitations.** With RSL Rewards, there are no limits on how you use your travel credits. Redeem your credits for hotel stays, meals, rental cars, cruises, first-class airfare, or just about any other travel-related luxury.
- **Carry Your Credits for 3 Years.** You can carry your credits forward for up to three years. Combine your travel credits for the trip of a lifetime. Just be sure to redeem at least \$1,000 on every trip.
